DEVELOPING SPANISH ACADEMIC LANGUAGE, TK-5*

For: Teachers (TK-5), Instructional Coaches/TOSAs, Principals, District English Learner Coordinators/Directors

During this **one-day institute, which will be presented entirely in Spanish**, participants will learn how to support the development of their students' academic language in Spanish in the elementary grades as they teach reading and writing. The "CCSS en español" standards are academic language resources not only for students, but also for teachers. Participants will analyze literary and informational texts to determine how to integrate academic language in their teaching in order to develop advanced levels of academic language and encourage the students to incorporate it when they speak or write.
