## 5 COMMENTS

---

- CABE Student members are currently assigned to the chapter nearest the city listed on their membership record on SmartReg.
- The membership assigned to the two University Chapters needs to be determined.
- We need annual reports from both the CSU, Stanislaus and Pepperdine University Chapters including a proposed membership list. The membership lists of both chapters will probably be a combination of faculty and students.
- Most CABE Student members did not specify the college or university they are attending.

## 6 SUGGESTIONS

---

1. Ask for copies of bylaws from CSU, Stanislaus and Pepperdine University
2. Form a Student Club CABE committee with focus on Goal 3.5.3
3. Assign all CABE student members to the two university chapters [#3 & #97] until we are able to align clubs with active chapter supervision.
4. Contact all CABE student members to request information about the college or university they are attending
