I am enclosing the following attachments that delineate the political involvement of CTA in the upcoming November election. The attachments are:

1. Good news on the Vergara lawsuit against CTA.
2. Letter by Eric Heins, CTA President outlining the repurposing of the October State Council. Our field-based Council is of vital importance to ensuring that we are successful in passing Proposition 55 and Proposition 58.

[Proposition 55](#) maintains the current income tax rates on the wealthiest Californians and prevents billions in funding cuts to public education while protecting other vital services, like children's health care.

[Proposition 58](#) ensures all students can learn English as quickly as possible and expands opportunities for English speakers to learn a second language.

3. A copy of webpage information and resources on Prop. 58: The Learn Initiative located in the CTA website.
4. Copy of CTA's Kids Not Profit Campaign.
