At the September 21, 2019, CAFE Board meeting, people and/or entities were nominated by Board Members for the CAFE 2020 Board Awards. At the board meeting, a motion was made and approved to create an online selection process for CAFE 2020 Board awards which would include their bios and rationale for selecting them as a CAFE Board Awardee.

Board members who had nominated a person or entity on 9/21 were asked to provide the bio and rationale of their candidate to be added to the online process. Two board members withdrew their candidates.
