CALIFORNIA ASSOCIATION FOR BILINGUAL EDUCATION

STRATEGIC PLAN 2019-2024
Biliteracy, Multicultural Competency & Educational Equity for All
Who We Are

FORMATION
The California Association for Bilingual Education was founded in 1975 (and incorporated in 1976) as an educational not-for-profit organization by a group of trailblazing leaders during the heart of the Civil Rights movement who envisioned an education system that honored students’ linguistic, cultural and experiential backgrounds and promoted bilingual education.

GOVERNANCE
The California Association for Bilingual Education is governed by a 14-member Board of Directors. The Board of Directors is elected by statewide CABE members for 2-year terms, with a term limit of four years per position. The President of the Board of Directors leads the Board in quarterly board meetings and provides guidance and support to the organization’s CEO.

STAFF
The California Association for Bilingual Education employs over 40 full-time, part-time, and contracted consultants to operationalize the vision, mission and strategic plan of the organization. The staff is led by the Chief Executive Officer, the Deputy Director, and the Coordinating Council comprised of seven team managers.

FORWARD MOVING
CABE is a dynamic, growing organization whose core is centered on developing and celebrating the language and cultural richness and backgrounds of students, their families and the educators who serve them. This strategic plan provides a guide to move policy to powerful practice, to impact educator professional learning, to increase parent and family engagement, to celebrate the richness of biliteracy and multiculturalism, and to commit ourselves to a vision of global success for all.
President’s Letter

June 22, 2019

Dear CABE Members, Staff and Friends:

It brings me great satisfaction to present to you CABE’s new Strategic Plan for 2019-2024. Each five years, CABE revisits its Strategic Plan to ensure that it is relevant, up to date, and reflects the current needs and priorities to successfully address the needs of English Learners and biliteracy students throughout California.

Since the approval of the past strategic plan (2013-2018), the State of California has experienced three major changes from 2016-2018 that have great on impact English Learners. In 2016, the Voters of California passed Proposition 58, the EdGE initiative, that promotes and supports a vision that all students should have access to multilingual program. Next followed the English Learner Roadmap policy in 2017 that supports English learners fully and meaningfully accessing and participating in a 21st century education from early childhood through grade twelve that results in their attaining high levels of English proficiency, mastery of grade level standards, and opportunities to develop proficiency in multiple languages. The third major policy to impact English Learners was the release of Global California 2030 by State Superintendent Tom Torlakson. Global California sets clear goals to expand the vision of multilingual programs and the number of dual language immersion programs along with increasing the bilingual teacher workforce. California has set a new course and pathway to make multilingual programs available for English Learners and all students, and CABE has played a key role in supporting these changes!

CABE has been on the cutting edge for 44 years of putting policy into practice. Our strategic plan shapes our work and prioritizes our actions to make our vision of Biliteracy, Multicultural Competency, and 21st Century Success for All a reality for all English Learners.

It has truly been an honor to collaborate side by side with our dedicated Board of Directors and CABE Team as we affirm the direction we are moving in, reflect on our accomplishments, identify our areas for growth, and set forth a new vision for CABE. ¡Sí, se puede!

In Solidarity,

Elodia Ortega-Lampkin, CABE Board President (2017-2019)
The CABE Board of Directors is comprised of 14 statewide leaders from a variety of backgrounds. They are elected by the CABE Membership and serve 2-year terms. Each board member may stay in their position for up to two terms (four years). The Board of Directors is guided by the organizational by-laws and they meet quarterly, in person, with subcommittees meeting at a variety of times per year via video conference, phone conference or email.

The CABE Board is a volunteer board who provides their own time and commitment to support and enact the CABE vision of Biliteracy, Multicultural Competency and Educational Equity.
