Greetings from CABE! We hope this message finds you safe and well. We would like to share a quick update from CABE Headquarters as we respond to the coronavirus situation.

Working Remotely: To mitigate the spread of COVID-19, CABE team members are working remotely and conducting all in-person meetings by video or phone conference effective immediately. For the time being, we’ve canceled all work-related travel via airlines and other modes of public transportation. All of CABE’S daily operations continue as best possible.

Contact CABE: You can contact the CABE team by email, phone, or social media and we will get back to you promptly. During this time, our communication with each other is more important than ever. We will be operating regular business hours remotely via email and phone from 8:00 am - 4:00 pm.

CABE 2020 Suspension: CABE has sadly suspended its annual conference, CABE 2020, in San Francisco on April 8-11th due to the coronavirus. Participants, presenters and exhibitors with paid registrations received notification announcing the suspension and the options to either rollover registrations to CABE 2021 or to request a full refund. If possible, and in support of CABE, we ask you to consider rolling over your registration from CABE 2020 to CABE 2021. By doing so, you will already be registered and pre-paid for next year’s conference and you will have exclusive access to a new virtual community featuring CABE 2020 resources for educators and parents.

Other CABE Events: At this time, we are hopeful that we’ll be able to continue other CABE events as scheduled. We are monitoring the impact of the COVID-19 pandemic and will post updates regularly on www.gocabe.org and Facebook.

Professional Learning and Partner Meetings: CABE continues to provide professional learning through CABE PDS and Parent and Family Engagement via the virtual collaboration platform, Zoom. Please contact us for further information or to schedule an training at cabepds@gocabe.org, mvilla@gocabe.org o dani@gocabe.org.
