TAKE ADVANTAGE OF THIS SPECIAL OFFER

This virtual series includes four essential components that will prepare English language development teachers (ELD) with effective practices to leverage the multilingual and multicultural assets of English learners (EL) and emergent bilinguals (EB). The presenter will model the pedagogical strategies and scaffolds that will support students in their journey towards academic success in English. Join us for an interactive and language rich experience!

Please note that each topic will be presented over two 2-hour sessions each month. The second session of the month will be a continuation of the content presented during the first session. It is recommended that participants attend both dates.
