RACIAL EQUITY SERIES DESCRIPTION

In this three-part series we will engage in conversation and practices that allow us to continue to develop our capacity, consciousness, and courage to:

1. Recognize and incorporate the cultural strengths and brilliance of all students in our interactions and instruction.
2. Identify and interrupt inequitable systems which limit opportunity for growth and learning especially among those who are on the margins of our classrooms.
3. Communicate and collaborate with members of our school community and families to create an anti-racist school climate and to address the challenges to anti-racism that educators face today.

SESSION 1 Looking Through an Anti-Racist Lens: Recognizing and Using Students' Strengths and Brilliance in the Teaching Learning Process.

SESSION 2 Checking and Changing our Systems for Racial Equity: Finding the gaps in our systems of pedagogy, content selection, climate creation and assessment, and turning those gaps into goals.

SESSION 3 No Turning Back Now! Identifying strategies for continuing the anti-racist journey in schools and community with an emphasis on student voices and stories of collaboration with community
