6 Strands to choose from!

Six customized strands are offered to develop high quality multilingual/multicultural, equity-based programs based on the *Guiding Principles for Dual Language Education, 3rd edition*.

STRAND #1

IN SPANISH

Elementary Teachers and Instructional Coaches New to Spanish DLI

- Network and collaborate with other DLI teachers!
- Learn critical research, theory, and evidence-based pedagogy necessary to build strong DLI classroom systems to support all DLI learners.
- Enhance your academic Spanish to provide high quality content-based instruction.
- CREATE! engaging teaching strategies and resources to support DLI students with a special focus on comprehensive biliteracy instruction.

STRAND #2

IN ENGLISH

Elementary English Partner Teachers and Instructional Coaches in Spanish DLI Programs

- Network and collaborate with other English partner teachers and coaches!
- Develop a deeper understanding of evidence-based biliteracy instruction for elementary Spanish/English DLI programs and classrooms.
- Observe and explore strategies for effective biliteracy instruction.
- Explore the connection between Spanish and English language and literacy development.
- CREATE! engaging strategies for integrating reading, writing, oracy, and metalanguage instruction with a special focus on comprehensive biliteracy instruction.

STRAND #3

IN ENGLISH

Elementary and Secondary Administrators New to DLI

- Network and collaborate with other DLI leaders!
- Learn the research on effective DLI program structures that will yield a strong, successful and sustainable DLI program.
- Identify the essential planning steps for starting or leading a new DLI program
- CREATE! a plan to lead and advocate for strong, successful, and sustainable DLI programs.

STRAND #4

IN SPANISH

Experienced Elementary Spanish DLI Teachers and Instructional Coaches

- Network and collaborate with other DLI teachers and coaches!
- Develop a deeper understanding of evidence-based literacy/biliteracy practices for elementary DLI programs and classrooms.
- Enhance your academic Spanish to provide high quality content-based instruction.
- Explore the connection between Spanish and English language and literacy development.
- Observe and explore strategies for effective biliteracy instruction
- CREATE! engaging strategies for integrating reading, writing, oracy, and metalanguage instruction with a special focus on comprehensive biliteracy instruction.

STRAND #5

IN ENGLISH

Experienced Elementary and Secondary Administrators in Spanish DLI Programs

- Network and collaborate with other DLI leaders!
- Develop a deeper understanding of evidence-based biliteracy practices for literacy/biliteracy instruction in DLI programs and classrooms.
- Analyze and reflect on the critical components for comprehensive biliteracy instruction in multilingual settings.
- CREATE! an action plan to support program sustainability through guided reflection of the district's current biliteracy practices.

STRAND #6

IN SPANISH

New and Experienced Secondary Spanish DLI Teachers and Instructional Coaches

- Network and collaborate with other DLI teachers and coaches!
- Develop a deeper understanding of evidence-based literacy and language integration across the curriculum for secondary DLI programs and classrooms.
- Enhance your academic Spanish to provide high quality content-based instruction.
- Explore strategies for language, literacy, and content transfer between Spanish and English.
- CREATE! engaging strategies for integrating reading, writing, oracy, and metalanguage instruction with a special focus on comprehensive biliteracy instruction.

The CABE Summer Spanish Dual Language Immersion Institute includes:

- A focus on creating effective culturally and linguistically responsive literacy instruction in DLI classrooms
- 3 days of dynamic learning and networking
- Elementary and secondary differentiated strands
- DLI teacher strands presented in Spanish
- Partner teacher and administrator strands presented in English
- Dedicated planning and collaboration time
- Keynote speakers addressing effective literacy/ biliteracy instruction
