### OPTION 2: NATIONAL FLIGHT - VIA TIJUANA

Airline: Volaris or Viva Aerobus

Route: Direct flight from Tijuana (TIJ) to Oaxaca (OAX)

Crossing: Via the Cross Border Xpress (CBX)

Details: Utilize the CBX for a seamless border crossing directly into the Tijuana Airport from the U.S. side. (Airport code: OAX)

### CROSS BORDER XPRESS (CBX) - INFORMATION

What is CBX? The Cross Border Xpress (CBX) is a pedestrian bridge that allows travelers to cross from the United States directly into Tijuana International Airport, bypassing the regular border controls. It is designed to facilitate easy travel between the two countries specifically for air passengers.

### HOW TO CROSS:

Purchase a CBX ticket, which can be done online or at the CBX terminal. Ensure you have a valid airline ticket for a flight departing or arriving within 24 hours. Complete any necessary immigration forms if crossing from the U.S. into Mexico.

Type of Ticket:

Single crossing (one-way) or roundtrip tickets are available.

Special family packages may also be offered.
